EBSB day celebration, Matrabhasha Diwas celebration

20.02.2020

Matrabhasha diwas falls on February 21, 2020. As part of it , we celebrated the day on 20th February with a translation competition to give the importance of the language of our state, Kerala which is Malayalam and our paired state, Himachal Pradesh where Hindi is the mother tongue. 29 students participated in the translation competition. A poem in Hindi or Malayalam has to be translated to the other language. It was fun and the students enjoyed the task.
