Due to the global contingency due to the COVID-19 pandemic, we have conducted Teacher Exchange Programme online for 10 days during 21-06-2020 to 30-06-2020. This exchange program is conducted on E-content development provides a platform to learn the tools and techniques needed for the design and development of digital resources for teaching and learning. It aims to provide the knowledge and skills needed for teachers to cater to the present day learners and their learning styles.

The following feedback was received from the participants:

1. 86% of the participants felt that the delivery and presentation of the resource person was good.
2. 90% of the participants were of the opinion that the FDP brought practical knowledge of the subject in them.
3. 90% of the participants felt that the FDP was coordinated very well.
4. Participants felt that such exchange programme should be arranged regularly.

The participants have acquired knowledge of the different aspects of designing, planning and delivering quality e-content for teaching-learning and also about the appropriate developmental tools needed to develop e-content in their respective disciplines using text, images, audio and video.
