

Essay
Govt Girls College Sirahi
Name → AFREEN (N.S.S. Volunteer)
Class → BSC. II year [Science-Bio]
Topic → Role of N.S.S. Volunteers After Lockdown.

1. what is COVID-19 → Coronavirus disease (COVID-19) is an infectious disease caused by a newly discovered coronavirus. The COVID-19 virus spreads primarily through droplets of saliva or discharge from the nose when an infected person coughs or sneezes.
2. what is Lockdown → A Lockdown is an emergency protocol that prevents people from leaving a given area. A full lockdown will mean you must say where you are & not exit or enter a building the given area. This scenario usually allows for essential supplies grocery stores, pharmacies & bank to continue to serve the people. All non-essential activities remain shut for entire period.
3. Role of N.S.S. (National Service Scheme) Volunteers after Lockdown.
N.S.S. is a Voluntary association of young & Students in Universities & colleges working with an aim at developing a student's personality through Community Service. With the nation under lockdown & after lockdown

N.S.S. Volunteers can help the government to deliver the essential items to the people at their doorstep. Currently, our state & country is fighting through a serious pandemic & it's expected that N.S.S. Volunteers should work at the ground level to help the society. Volunteers can reduce the burden on government officials in facilitating citizens with essential services.

In A Nutshell

- Students can distribute essential services to senior citizens, labourers & others.
- They can help with banking requirements of beneficiaries who are receiving funds under different government schemes.
- They can help in making sure that the doorstep facility is given to underprivileged sections to whom the benefits are not reaching.
- Students can work as 'police mitra'. They can help police at required police stations.
- Students can run a blood donation camp on vehicles.
- Students can make cloth masks & sanitiser for health service officials. It is not enough to make cloth masks but it's also important to provide

about 'how to destroy cloth masks'
→ we can provide information about
social-distancing.
Social distancing have a important
role to control Covid-19 for a Stop.
