On the 24th we had fun activities planned by the IIITDM students like a culinary competition and an essay competition. We students had a lot of fun during the culinary competition as we cooked various dishes using the ingredients provided to us. The students also attended a Telugu speaking workshop. A treasure hunt was also one of the fun activities planned where students enjoyed the most.

The 25th was an outing day and we visited the Rolapadu village bird sanctuary, the Kurnool fort, and the local market. The students roamed and explored the market.
