Translation in English

*Engellei* of the hills

You bloom and wither only for the hills

We envy, we envy

Oh we envy you so

I did not wither

No I did` not  
It is the wind that has plucked me  
And thus I fall, thus I fall

I did not blow you down  
You have run out of stem  
And that is why you fall  
And that is why you fall
