### **Exhibition by the Career Guidance Cell & the Employment Office, Tirupur**

#### **Report**

The career Guidance cell has organized an exhibition to showcase the possible avenues for the final year students of the college. Since most of the students hail from the semi-rural background, it is considered to be essential to create awareness among them about the future career plans. Hence, with the aid of the Employment office of Tirupur, the programme is conducted on 29/01/2020.

The Principal Dr. P. S. Vijayalakshmi welcomed the guests of the programme. The District Collector Dr. K. Vijayakarthykeyan presided over the program, after the inauguration of the exhibition. He stressed over the importance of preparing for the TNPSC and the UPSC examinations. He motivated the students by revealing his own methods of preparation for IAS examination. He distributed prizes for the outstanding students of the college.

After the programme, the students are asked to view the exhibition. Their enquiries regarding the career options have been clarified by the Employment office personnel. There are 156 participants from III year classes across the college who have benefitted by the programme.

In connection with the programme, the director of the Employment office Tirupur assured the students to approach the office for further enquiries and asked them to avail Government loans for becoming entrepreneurs.

The program is organized by the career guidance cell of the college headed by Dr. R. Dharani, HOD of English.

P.S.Vijayalakshmi,

Principal
