GOVERNMENT P.G COLLEGE, DHARAMSALA

FRIENDLY MATCH (CRICKET) – 30TH JANUARY 2020

As the official inaugural and ice-breaking session formally concluded, the students and the teachers from Govt. PG College Dharamsala was more or less at home with its new environment. They were pleased and overwhelmed by the genial manners of Keralites. A friendly cricket match was conducted on the day they reached college. The students of the host institution and the guests divided themselves into teams for the match. The match was conducted on the grounds of RSET which maintains international standards and is well equipped with high standard sports equipment. The team members were not concerned about the points they scored in the match rather they gave importance to the rapport they created from these matches. This helped the students to form a friendship with each other. This was coordinated by Dr. Shibu P P, Deputy Director Physical Education, Department of Basic Science and Humanities, Mr. Rajeesh T Chacko, Assistant Professor, Dept. of Basic Science and Humanities, Ms. Sinu Jacob, Assistant Professor Dept. Basic Science and Humanities.
