Our college had a wonderful opportunity to conduct a program about “EK BHARAT SHRESHTHA BHARAT.” As a part of Union Government’s “EK BHARAT SHRESHTHA BHARAT” initiative, the state of Odisha is tagged with Maharashtra to organize different programs to promote art, culture and tourism of their respective states. The initiative seeks to build bonds between people of different states of India. The program is giving boost to existing cultural connection between different parts of the country and enhancing interaction between people living in different states.

Students had an opportunity to reveal their talents to everyone. We had conducted events like wallpaper-making and quiz for FYBA students. The wallpaper-making was inaugurated by The Principal, Dr. Madhuri V. Kagalkar on 17 February 2020 and had displayed the wallpapers at the entrance from 17-02-2020 to 22-02-2020. The event was a great success and people had helped a lot to arrange everything and places where my eyes couldn't reach. I've learnt a lot of things from this event as a coordinator and as a student. Even if people hadn't assigned us any work, we should seek for it. And I've learnt how much difference a person can make from his actions. I thank Vilas sir and Khomane sir for giving me this opportunity to self evaluate.
