Brief description about the event :

On June 5th, the 3rd-year students of the Mathematics Department, in association with the Ek Bharat Shreshtha Bharat Club, celebrated World Environment Day with the theme "Together for a Greener Future." The students organized a tree-planting event, emphasizing the critical importance of planting trees for a sustainable future. As a gesture of appreciation, they also presented a small gift to the dedicated keeper of our college garden, acknowledging their efforts in maintaining a green and vibrant campus. This event underscored the collective responsibility towards environmental stewardship and the commitment to fostering a greener, healthier planet.
