ACTIVITIES MAY- JUNE 2021

Food items of paired state Punjab

During COVID-19 pandemic as the summer vacation is extended students are staying at home by following all safety measures. Heads of the institutions are conducting on line zoom meetings and guiding students regarding the information related to the paired state. Students identified the names of fruits and vegetables in Punjabi language and tried to prepare Punjabi dishes in a simple way by taking the help of the parents. They explained the process during on line interaction.
