World Environment Day 5-6-2021

World Environment Day is celebrated on June 5 every year to remind people about the importance of "Nature".

In the year 1972 the UN General Assembly established World Environment Day on the first day of the Stockholm Conference on the Human Environment.

In 1974, the theme of World Environment Day was 'only one Earth'. Since then, various host countries have been celebrating it.

As part of Ek Bharat Shrestha Bharat "Jal Shakti Abhiyan" programme activities held for students.

Jal Shakti Abhiyan

Ministry of Jal Shakti is taking up nation wide Campaign "Jal Shakti Abhiyan Catch the rain" focusing on saving and conserving rain water with the theme "Catch the rain where it falls, when it falls" from 22 March 2021 to 30 November 2021 in the pre-monsoon. It aims at enhancing water bodies capacity in 100 days before the onset of Monsoon. The Minister said that abhiyan intends to promote rain water harvesting on a mega scale by rejuvenating water bodies in rural areas our aim was to capture the monsoon rain to alleviate their condition, says a secretary with Jal Shakti Minister.

Prime Minister Narendra Modi has launched Jal Shakti Abhiyan Catch the rain Campaign at 12.30 pm on 22 March 2021 via video Conferencing highlighting
