2. World Environmental Day: Plogging Drive – 5th June 2022

Plogging Drive was organized on June 5th, 2022, to mark the occasion of World Environment Day. The aim of the drive was to raise awareness about the importance of a clean environment and to promote a healthy lifestyle.

Plogging is a combination of jogging and picking up litter. Participants of the drive, including students and faculty/staff members of IIT Bhilai, ran around the campus while picking up trash along the way.

The Plogging Drive was a huge success, with over 100 participants collecting litter. The collected trash was segregated into recyclable and non-recyclable waste, and disposed of appropriately.

Overall, the Plogging Drive was a great initiative by EBSB Club IIT Bhilai to promote environmental awareness and encourage people to take action to keep our planet clean and healthy.
